

HAMLIN WINS HOSPITAL SUIT

Dist. Judge J. Neil Daniel of Abilene announced Wednesday that he would rule in favor of both the Hamlin and Stamford Hospital Districts today (Thursday).

In the case of the Hamlin Hospital District, Judge Daniel will enter a judgment in favor of the district, notwithstanding the jury verdict. A 104th District Court jury ruled in favor of the plaintiffs, E. E. Carter, Leon Kelso, Frank Carter, Henry Ueckert, Darwin Hill and Carl Jackson, on Jan. 6.

Judge Daniel will also enter a "summary judgment" in favor of the Stamford Hospital District, which will have the effect of dismissing the second lawsuit filed against them by a group of disgruntled taxpayers in the southern part of Jones County.

In both cases the ruling will take effect after 30 days unless the plaintiffs appeal.

The Hamlin suit was filed Nov. 13, 1974, after two \$500,000 bond issues had been approved to remodel the Hamlin Memorial Hospital.

The Plaintiffs alleged in their suit that the Act of Legislature creating the Hamlin Hospital District violated the Equal Protection Clause of the 14th Amendment of the United States Constitution. They had sought permanent injunctions enjoining the Defendants from assessing or collecting any taxes on the land or property of the Plaintiffs.

In arguments before Judge Daniel Thursday, Hamlin attorney John Watts asked the judge to enter an order "notwithstanding the jury verdict" in the Hamlin case. At that time

Judge Daniel promised a decision within a week on both suits and then announced his decision Wednesday.

Watts said Wednesday that the district would know at the end of the 30-day waiting period if they would be able to go ahead with their plans to sell the \$1,000,000 in bonds and begin work on the hospital. If the Plaintiffs appeal the court's decision then the sale of the bonds would have to wait until the appeals court rules on the case.

TOP HONOREES—Mrs. R. D. (Tennie) Moore was named Woman of the Year and Milburn Wink was named Man of the Year at the Thursday evening banquet of the Hamlin Board of Community Development. Both were cited for their participation in community activities and contributions to the success of local projects. Plaques were presented by Bob Hawes after the honorees were revealed. HAMLIN MARKS BIRTHDAY—

Three Receive Honors During BCD Banquet

The 70th Birthday of Hamlin was celebrated royally here Thursday evening along with festivities marking the 200th birthday of the United States as tribute was paid to outstanding persons in the community at the annual Board of Community Development banquet.

Mrs. R. D. (Tennie) Moore was named Woman of the Year and recognized for her contribution to the com-

munity as a business woman, later as she worked with her late husband in farming operations while also maintaining a strong interest and participation in civic and church activities.

Milburn Wink, Hamlin High School agriculture teacher, was named Man of the Year for his activities with youth which even had its influence on the national level in FFA, civic endeavors, and above all his contribution to the success of the Hamlin Day Care Center.

A special tribute was paid to Miss Lennie Greenway by Mrs. C. Weldon Griggs, a trustee of the Hamlin Cemetery Association. Mrs. Griggs said in her public tribute that "an exceptional lady, one who has done much for our community is being honored."

The progress of the Hamlin Cemetery Association from 1924, when Miss Lennie carried her own hoe and walked to the cemetery, to the present day realization of her dream of perpetual care was noted by Mrs. Griggs as she told of the many years of work that Miss Lennie had given to the cemetery. A bouquet of red roses was presented which was taken to Miss Lennie. She was confined to the hospital and unable to attend the banquet.

Speaker for the annual banquet was Mrs. Clyde Angel of Big Spring, who was named Woman of the Year for Howard County in 1955.

She asked the audience to be thinking about the gift that "you personally will bring to the nation's birthday party. Wrap it in a big bow of red, white and blue and tie it with love, a greater faith, a great sense of patriotism and endurance."

Central theme for her message was "Make My County More Lovable." She urged those present to recall the past to make the present meaningful.

To make the country more lovable she stressed "get involved, pray, be informed, and remember that we have a past to remember and a future to mold."

A special presentation of "What Price Freedom" was given to open the banquet by the Sound of Celebration of First Baptist Church under the direction of Lynn Mink. Joe Hodges of Abilene, representative of the American Revolution Bicentennial of Texas, presented Hamlin's mayor, Joe E. Ford, with the official national Bicentennial Flag. Hamlin was recognized as a Bicentennial city Oct. 13, 1975.

Pat Willoughby, retiring president, gave the highlights of the past year which included an increase of 22 new members, a highly successful community tennis tournament, charter of the Hamlin Industrial Foundation, and other activities. He presented the winning table decoration award to the

Woman's Literary Club.

Willoughby introduced officers who had served during the past year and the incoming officers.

John S. Watts, incoming president, pledged his efforts in promotion of business and commerce and equally in other activities of community life. He mentioned tentative projects for improving the appearance of the community and activities for residents from youth to senior citizens.

Rev. James W. Smith was master of ceremonies.

The Rev. Leo Scott, pastor of Oak Grove Baptist Church, gave the invocation and the benediction was given by the Rev. Jess Wayne Adkins, pastor of Central Baptist Church.

The banquet was climaxed with the audience singing "God Bless America," led by the "Sound of Celebration."

Elaborate table decorations were prepared by Hamlin Child Care Center, Hamlin Art Club, Hamlin Garden Club, Xi Gamma Pi, Beta Theta, Future Homemakers of America, Future Farmers of America, Young Homemakers, Woman's Literary Club, Woman's Forum, Lions Club and American Association of Retired People.

A three tiered white birthday cake adorned with candles, which centered the stage in front of the head table, was prepared by Mrs. L. B. Bruner.

NEWS AND VIEWS...

And What Have You

By BOB CRAIG

Our congratulations to Mrs. Tennie Moore and Milburn Wink who were honored Thursday evening as Hamlin's Woman and Man of the Year at the annual BCD banquet. Both are most deserving of this honor.

In both cases we are honoring people who, while never really seeking the limelight, have quietly gone about the business of being good citizens who are always there when needed.

Another person honored at the banquet was Miss Lennie Greenway for her years of service to the Hamlin Cemetery Association. This is another case of a person quietly going about the business of serving the community without making much of a fuss.

We just wish that she could have been able to attend the banquet to receive the recognition that she so justly deserves.

All too often when we find a worker who will take over the duties of an organization the way Miss Lennie has the Cemetery Association the rest of us just take the work for granted.

It's people like these three that keep the wheels of a community going and quietly take care of all those necessary chores that the rest of us forget about.

It is easy for any of us to push real hard on one project or another for a year or two, but it all falls apart if we do not have these day to day workers that make it all happen.

According to a notice we received this week from the Texas Press Association the officials of the Secretary of State's office are now saying that legal notices that relate in any way to the voting process must be published in both

Bicentennial Eagle from Macaroni

The eagle, one of our national symbols, makes an impressive wall decoration, especially made with macaroni and sprayed gold.

Make a paper pattern of the eagle. To do this, mark off a sheet of paper into 1" squares. Then copy what is in the drawing, square by square, onto the paper. Trace onto heavy cardboard or plywood; cut out.

The eagle shown is made of three varieties of macaroni: elbows, shells and straight pieces.

Using ordinary white glue, apply glue along several lines for the "ribs" of the wings; then press straight pieces in place.

When all "ribs" have been glued in place, glue shell macaroni between them. Then glue elbow macaroni along the top sections of the wings.

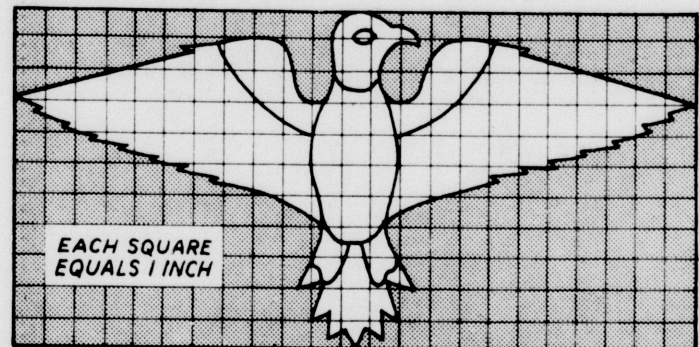

Glue straight pieces of macaroni to the tail, extending them beyond the cutout. Add shell macaroni for the talons.

Finally, cover the body with several layers of elbow macaroni; add shells for the eye and beak.

Spray paint the eagle — gold with touches of black is striking.

Favorite Recipes By Barbara Craig

The recipe for rich chocolate cake this week is one that Mrs. Larry Bartee brought back from Albany after visiting relatives there. Just a suggestion—be sure to check your pantry supplies before starting this one—it is very rich, takes lots of ingredients, and from what I understand, is delicious.

the gospel truth

by Bro. Marshall Townsley

"To whom God would make known what is the riches of the glory of this mystery among the Gentiles; which is Christ in you, the hope of glory: Whom we preach, warning every man, and teaching every man in all wisdom; that we may present every man perfect in Christ Jesus:" Col. 1:27, 28.

Every Christian should determine upon meeting Jesus Christ to devote the rest of his life to finding out exactly what his heritage holds. We need to know who we are serving.

After the new birth, a man must realize that he has been translated from the powers of darkness into the kingdom of the Lord. (Col. 1:13) No longer is he a dirty, rotten sinner, but through the blood of Jesus he is made the righteousness of God. Yes, Romans 3:10 states there is none righteous, but the completion of the chapter reveals that now through Jesus, the righteousness of God is manifested without the law, by faith in Jesus Christ unto all them that believe.

"For all have sinned, and come short of the glory of God; Being justified freely by his grace through the redemption that is in Christ Jesus:"

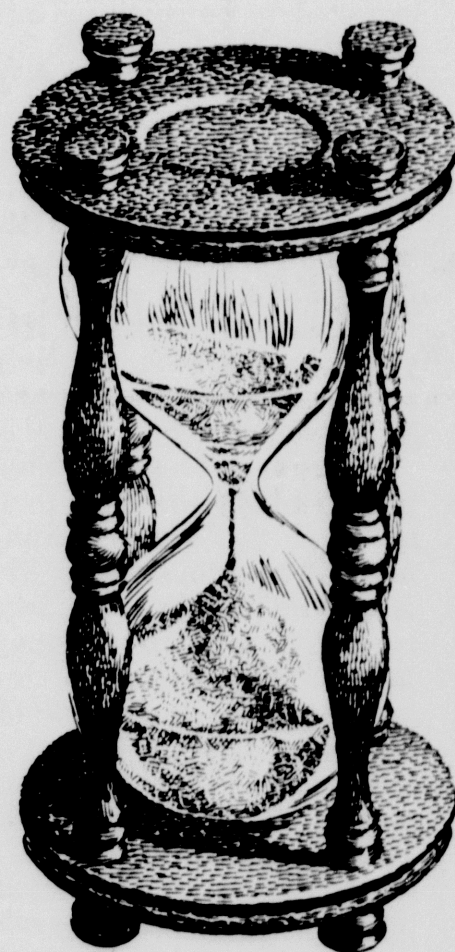

Righteousness is being in right standing with God; having the privilege of entering into His throne room at any time to obtain mercy and find grace to help in time of need. (Heb. 4:16) It is a gift of God. "Not by works of righteousness which we have done, but according to his mercy he saved us, by the washing of regeneration, and renewing of the Holy Ghost:" Titus 3:5 In the same way we received the judgment of condemnation through the sin of the first man Adam we also received the righteousness of God through the obedience and death of His Son, Jesus.

"For as by one man's disobedience many were made sinners, so by the obedience of one shall many be made righteous." Roman 5:19.

It is true that no man in himself is righteous, nor can he ever clean himself up or work enough to become so. Man without Jesus is a spiritually dead man, his father is satan and he is well trained in his manner of living. However, when that same man confesses FROM HIS HEART that Jesus is Lord and has been raised from the dead, he is saved out of satan's domain. He is freed from sin and all its darkness and death. (Romans 6:7) He is a new man. The old Adamic nature is dead. It died at the new birth and his spirit was recreated in righteousness and true holiness. (Eph. 4:24) "Therefore if any man be in Christ, he is a new creature: old things are passed away: behold, all things are become new. For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him." 11 Cor. 5:17, 21.

This standing cannot be taken away from the believer. His right standing is not even altered by sin. Jesus died for the sin of the world. "For by one offering he hath perfected for ever them that are sanctified." Heb. 10:14 "If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness." Does this mean we can be born again and go back into sin, entertaining ourselves with the world? Paul said in Romans 6:2 "God forbid. How shall we, that are dead to sin, live any longer therein?"

Righteousness does not mean you are holy. Holiness is something you determine with God's ability to attain. It comes through mortifying the deeds and lusts of your flesh and acting on the Word of God. Righteousness does mean you can enter into the throne room of God without fear of rejection, knowing that HE LOVES YOU. Brothers and sisters, ENTER BOLDLY!

FROM THE FILES . . .

FIFTY YEARS AGO
(January 29, 1926)

Wednesday, J. J. Waggoner, President of the Hamlin Chamber of Commerce informed the Herald that he was the first man to run a car over the grade of the new Hamlin-Stamford Highway, that has just been completed. This is the first step towards the hard surfacing that everybody hopes to see within the near future. The entrance of the new road to Hamlin from Stamford brings the main highway to the end of Central Avenue paving. At the Orient crossing near the oil mill the road takes the new route, making a graceful curve towards the A & S Track and then further toward town it curves back to line up with the broad street that runs the entire length of town to the west. This change after the first survey was made brings the highway two blocks closer to the business section. The Herald would be glad to tell just which way this state road will go west or north out of town, but as yet, probably no one can do that.

Neinda went to Dovie, Tuesday afternoon and played them in basketball. The Senior boys game was a scheduled game, but the girls and Junior boys played practice games.

The Neinda Senior boys score was 44 to 7 in favor of Neinda. The game between the girls was rather interesting, the score being 11 to 6 in favor of Neinda.

The Yellowhammers, cagers from Rotan High School, made it two conference wins in a row Tuesday night when they trounced the Hamlin Pied Pipers on their own court by a 53 to 37 count. Their victory last Friday night over the Anson Tigers helped them to snap out of a tie in the cellar post with Hamlin which the two teams occupied last week. Jim Finch bucketed 22 points for the Yellowhammers to lead the scoring parade, and Don Adair was high pointer for Hamlin with 10 tallies.

Snow amounting to 2½ inches or more last

Friday made moving about even more hazardous than the seven inches of the previous Friday because of lower temperatures and sleet which accompanied the snow. Colder temperatures, dipping to 2 above zero Saturday morning (gauged by a local citizen), delayed the thawing until Tuesday when temperatures finally got into the 50's.

Charles Tugwell was elected president of the Hamlin Camp Fire Girls Association at the Friday night meeting in the Camp Fire hut.

Other officers elected were Mrs. Tugwell, vice president; Mrs. David Casey, secretary; Mrs. Luther J. Haight, treasurer; Mrs. Bob Craig, reporter and Mrs. E. N. Jenkins, registrar.

Hamlin High School students were entertained by a youthful sophomore assembly on Thursday. Randy Morgan was the announcer for the varied program.

The Castaways, a musical group, was composed of Sammy Ferguson, Jimmy Hastings, Paul Long, Pat Kenkins and Howard Williams, a freshman.

The Hullahallo girls were Teresa Perrin, Linda Bailey, Pauline Womack, and Margaret Cooper.

The basketball game Friday will decide the leader in the district race and could determine the winner. The girls from Haskell own a technical lead in the district by virtue of their win over the Piperettes early in the season. Both teams have only one loss on their records.

Spanish and English. This rule was adopted to comply with the Federal Voting Rights Act and applies to every county in Texas, according to this notice.

This is the same Act that requires the trouble and expense of printing election orders, ballots and instructions in both Spanish and English.

Apparently, the days of the carpetbagging era following the Civil War are back again.

We always thought that the official language of the United States was English and that anyone who expected to be a citizen of this country needed to learn the English language. But apparently those people in Washington who seem to be smarter than the rest of us feel differently.

We wonder if ballots in Mexico are printed in both Spanish and English. We doubt it.

One can only wonder if the next step is to require all our laws and other legal matters to be printed in both languages.

Presently all of our laws are printed in English but this fact does not mean that a person who does not read or write or speak English is excused when he or she breaks a law. The law, in its majesty, figures that it is up to the lawbreaker to learn how to understand English.

This has been the position in the past on voting. You either learned to read English or you did not vote. Maybe this has been wrong all the time, but what about those citizens who can only read German or some other foreign language; or we going to print special ballots for them too?

What makes it really bad is that most of those who can not read or write English can not read Spanish either. They can speak it but most of them can not read or write it.

a little BIG
NOW

We all get a
thrill out of seeing
our children put on
our hats or shoes.
Obviously they don't fit
now, but some day he,
or she will grow to fit
them. At the same time
imagine that they are trying
on our lives. Would they fit?
... or do you live the type
of life that you would want them
to grow to. Live a life of
worship of the Lord.

*"Thou wilt shew me the path
of life: in thy presence is fulness
of joy; at thy right hand there
are pleasures for evermore."*

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

City Receives \$44,266 In Sales Taxes In 1975

The City of Hamlin received \$44,266.10 in sales taxes in 1975, a 39 percent increase over the \$31,921.49 it received in 1969 (the first year of collection in Hamlin), according to figures released this week by State Comptroller Bob Bullock's office in Austin.

Comptroller Bob Bullock released information Thursday showing how collections by Texas cities of the city sales tax—which has always been one percent—have skyrocketed in recent years.

Bullock released a list comparing each city's 1975 sales tax rebates with the rebates during the first full calendar year that city collected the sales tax.

Seven hundred and eighty cities showed increases ranging up to 1,539 percent. Only 30 cities showed a decline in rebates.

"It shows what we've known all along," Bullock said, "that the city sales tax has become a cornerstone of the City Hall budget."

While the Comptroller conceded some of the increase is due to inflation, he said "Nobody could read this story of mushrooming retail sales and conclude Texas has anything other than a prosperous business community."

The importance of the city sales tax to city budgets led Bullock, shortly after entering office last year, to begin sending city sales tax dollars back to the cities on a monthly, rather than quarterly basis.

The Legislature authorized cities to assess a one percent sales tax in 1967, and they were first able to collect it in the first quarter of 1968.

The following is a list of several area cities showing their 1975 totals with their first full year totals in parentheses:

School Seeks Census Data for Kindergarten

Larry Butler, principal of elementary school is requesting the names and birth dates of all children born between Sept. 1, 1970, and August 31, 1971, to complete the records needed for registration for kindergarten for the school year of 1976-77. "Many parents not having children already in school have not furnished this information, and the need for it is VITAL. Please call 576-3191 to report census information on your children," he urged.

Hamlin elementary school has an Early Childhood class for children age 3 and 4 years who might experience a motor, hearing, sight, or learning difficulty; hence the need for the names and ages of 3 and 4 year old children. Please call 576-3191 to report your child that is in this age group.

There is also a pre-kindergarten for 4-and 5-year old children whose parents are forced to move often because of job opportunities. These children are being helped to achieve the necessary skills to place them on an equal basis with other starting kindergarten children. Because of these programs and others in the planning stages, the school urges all parents with children under 5 years of age to call 576-3191 and give the needed census information.

All children enrolling for the coming school year will need to have a state birth certificate (not the certificate issued by the hospital at time of birth); a complete immunization record showing 3 DPT and booster shots, 3 polio and booster, a Measles and Rubella shot; and a social security number. All children in need of immunizations may go to the City Hall building each third Thursday morning from 9:30 to 11:00 and receive their immunizations free of charge.

Principal Butler said, "We also urge all parents of incoming pre-school children to bring their children's birth certificate, immunization record and social security number to the Elementary School office for recording. Also, we urge parents with any pre-school child to call 576-3191 and give us the information on your child so he will not miss out on any programs or classes that might be available to make their beginning school an easier process."

Children are like wet cement, whatever falls on them makes an impression.

Neinda Philosopher Gives Some Unhelpful Advice On How to Fill Out Income Tax Returns

Editor's note: The Neinda Philosopher on his Johnson farm on Route One looks ahead this week toward income tax paying time.

Dear editor:

According to an article I read in a newspaper last night, the Internal Revenue Service now has toll free phones in its offices around the country that any taxpayer can call to get help in filling out his income tax form. Also, the IRS has a large staff of people hired to give such help in person if you will drop by their office.

However, the article went on to say, from 20 to 50 per-

cent of the advice these IRS people give is wrong. In fact the IRS has posted signs in its offices warning taxpayers that whatever advice they get there is not legally binding.

As I understand this, it's the last man who checks your return that decides whether you owe any more money, regardless of how many O.K.'s you'd previously gotten from his co-workers. I'm not sure, but he's probably lean and hungry and can't get his mind off of how much money the government needs to meet its bills.

But I got to thinking. Say there are 30,000 of these income tax helpers in IRS offices around the country—maybe two or three times that many if everybody who needs help with his tax form gets waited on—and 50 percent of them make errors on their own tax returns. Isn't this going to put such a burden on the other 50 percent trying to straighten out their fellow workers' errors that nobody's going to have time to make errors for the general public?

The IRS is smart to put up those signs saying it's not responsible for any errors it makes.

What you've got to understand is that the burden of filling out your income tax forms correctly is on you. The government's position is: "It

makes no difference what our employees told you, if it's wrong it's wrong and the skin is off your back, not ours." You've got to be ultra-careful. If the form says subtract line 19 from line 4, the safest way is to dot it twice and if you get two different answers, add them together and divide by two, and enter that on line 10. If this is still wrong, you'll hear about it, with penalty and interest added.

Remember, Watergate, Vietnam, inflation, unemployment, the fall of the Alamo, the Battle of Bull Run, and Custer's Last Stand, were taxpayers' errors, not the government's.

Yours faithfully,
J.A.

Phil Standerfer has accepted employment at Seagraves with the police department. His position here will be filled at a later date, according to Ed Wheat, police chief.

The trustees of Hamlin Cemetery Association met with Judge Leon Thurman Tuesday at 2 p.m. to finalize the charter for the cemetery association, according to Mrs. Weldon Griggs, a trustee.

Texas Taxes

By BOB BULLOCK
State Comptroller

Austin—Put this number in your little black book: 1-800-292-9687

That's the new toll-free W.A.T.S. number we have installed in the Comptroller's office to give taxpayers ready answers to their questions about Texas taxes.

The line is in operation from 8 a.m. to 5 p.m. Monday through Friday to handle any and all tax information questions.

The calls on the W.A.T.S. line come in first to our central switchboard and are then plugged in to the appropriate office where specialists in the various types of taxes can answer your questions.

Information—good, accurate information—is to business and government what oil is to machinery. It makes it all run smoothly and efficiently.

Good information can prevent problems before they start—and preventing problems represents money saved for both the taxpayer and the state.

We deal directly with more than 500,000 taxpaying accounts in more than two dozen different types of state taxes, so it is not surprising that several hundred questions a day need to be asked—and answered.

Providing those answers is our responsibility and I think

The toll-free W.A.T.S. is not designed to replace the role of our field offices as the primary source of help for taxpayers. We have 36 field offices scattered across the state. These are open every day to assist taxpayers in person or by telephone. Their numbers and addresses are in the phone book under "Texas, State of...Comptroller."

But if a field office is not convenient, look in your little black book for that toll-free number: 1-800-292-9687.

Sheriff Draws Opponent In Only Countywide Race

With the deadline past for filing for spots on the May 1 Democratic ballot in Jones County only two races have developed. Only one of these

will effect voters in the Hamlin area.

Contesting Sheriff Woodrow Simmons for re-election will be Burl Walker,

a former deputy sheriff. Simmons, 56, of Anson, is serving his second four-year term as sheriff while Walker, 49, also of Anson, is currently employed by Gibson's Discount Stores in Abilene. He served as deputy sheriff for 10 years previously.

In the other contested race, P. A. Lynn of Anson, commissioner for Precinct 3, will

be opposed by two men — Don Doty of Anson and H. T. Howard of Hawley.

Incumbents who are seeking re-election and are unopposed are W. L. (Bill) Moore of Hamlin for precinct 1 commissioner; Raymond Hollabaugh for county attorney and Roy L. Lane for county tax assessor-collector. Also filing with Bill Longley, county Democratic

chairman, was Burnia Reed of Hamlin for precinct chairman of box 14.

A number of races have developed in Fisher County with five candidates seeking incumbent Bus Rollans' place as sheriff. He is not seeking re-election. Filing for sheriff

were Glenn Willeford, Mickey Counts, Kenneth Hardin, W. D. Waldon and L. H. Hicks.

A. J. Ford, incumbent, is being opposed for commissioner, precinct 1, by Kyle Moore. Incumbent Wayne Porter is not seeking re-election as commissioner, precinct 3, and Bishop Gordon, Stanley Nowlin, Bill Cade, Jay Hendon, Ervin Hale, and L. D. McGrew are all seeking this position. Incumbent Robert Buck is being opposed for re-election

as tax assessor-collector by Ivin Martin, Margie Bigham, Rex Hall and Bill Smith.

Three races have developed in Stonewall County with Sheriff Marvin Crawford being opposed for re-election by Rayborn Fitts, J. C. Gholson is being opposed for re-election by L. R. Moyer for commissioner, precinct 1, and Joyce McNutt, Fern Rash and Jerre Cook are candidates for tax assessor-collector. Thelma Kluting is not seeking re-election to this office.

White Elephant SALE

THIS IS THE CRAZIEST KIND OF SALE YOU EVER HEARD OF. IT INCLUDES JUST A CONGLOMERATION OF ODDS AND ENDS, SLOW MOVERS, BUYERS MISTAKES, AND THINGS YOU WOULDN'T EVEN THINK OF BUYING. IF THE WEATHER IS COLD AND DISAGREEABLE WE ADVISE YOU JUST TO STAY HOME AND PLAY WITH THE KIDS—THERE IS NO USE WASTING YOUR MONEY ON THIS KIND OF MERCHANDISE. IF YOU CAN RAISE THE CASH PLEASE PAY CASH DURING THIS SALE—THEN IF YOU DON'T LIKE WHAT YOU BUY IT'LL JUST BE TOO BAD—ONCE WE GET THE CASH.

BOYS' CPO SHIRTS—Would you believe we had these boxed up and forgot to put them out during the real season. While we were cleaning up after Christmas we found them. How about helping us out on these reg. \$6.99 shirts for \$3.99.

MEN'S L.S. TURTLENECKS—Talk about a turtle being slow, you should see how slow turtle necks were this year. Looks like we are "Stuck" with a pretty big stock—How about one for ½ price.

MEN'S LEATHER LOOK COATS—Not much good to say about these 5 coats left in this group. They are lined with a fur collar but am sure you wouldn't want one as it seems everybody wanted this coat unlined and no fur collar—Anyway if you think you might be interested in one of these \$29.96 coats—How about \$15.00?

BOYS' TWILL JACKETS—These originally matched up with pants. Somehow all the pants were sold and now we have the jackets left. Why not leave the son home and come on down and buy one of these jackets (Only 11 left) were \$10.95 now \$5.00.

LADIES' COATS—23 of the most terrible looking coats you have ever seen. Mrs. Jenkins says she is just plain tired of looking at these and would like to be rid of them forever—The price is right, but that's about the only thing that's right about them—Going at \$10.00.

LADIES' DRESSES—If you buy one of these your husband or boy friend wouldn't be seen with you. If you are one that wouldn't care how about helping us out on these values to \$34.50 for \$5.00.

LADIES' KNIT PANTS—About 30 pair of these left all from sets. Possibly we won't have your size anyway. You might accidentally have a top to match a pair of these. Some of these originally sold for \$16.95 but we can't remember that far back. How about \$5.00.

LADIES' SKIRTS—Dozens of women have tried on these skirts and each time would say "I believe I'll look around before I decide." You probably won't like any of these 8 skirts we have left either for \$5.00.

LADIES' TOPS—Just too many of these to count. No one likes to take the blame for having too many of these left but if you would help us out on these it would be appreciated for \$5.00.

TEXSHEEN ROBES—Quilted and fleece robes—These did not look good when they arrived and sure don't improve with age. We thought we had a good robe season but guess everyone that got a robe for Christmas must have brought it back. Now we have this rack to get rid of. One group for \$5.00—All better robes now \$10.00.

JUNIOR PANT SETS—4 of these left and we just don't know what to say as you didn't like them all fall so why would you like them now. Anyway we are supposed to sell them to make room for more mistakes. Take your choice of these reg. \$29.95 values for \$5.00.

LADIES' FOOTED PAJAMAS—Last fall a fast talking salesman sent us a box of candy for Christmas. Along with the candy he wrote us up an order for these footed pajamas which last year was one of the top sellers. Now what happened to all of those women that was supposed to have cold feet? How about \$5.00.

SHEETS—Don't waste your time looking at these sheets that were priced up to \$5.99. You couldn't find a matching set in the whole bunch. If you washed them by hand you couldn't get them clean—If you washed them in a machine with hot water they might shrink. If you don't care though we might be able to let you have one for \$3.99.

LADIES' GOWNS—Gee what horrible colors. Unless your husband is blind or else you turn out the lights before you put one of these on I just don't know what to say. Just don't believe anyone would want one of these for \$5.00.

POLYESTER DOUBLE KNIT—14 full bolts of this bought especially for our white elephant sale. You smart gals that have been everywhere and seen everything—just come in and see what a real bargain is—You might even compare this with knits that sell for as much as \$3.98 yard—SPECIAL \$1.29.

BOYS' DEMIN JACKETS—Every time we show a customer one of these jackets they say "Let me look at your nylon windbreakers first." Denim is the big thing now days, but the biggest thing for us would be to get rid of these 14 regular \$6.99 jackets for \$3.99.

MEN'S LEISURE SHIRTS—Most men have shirts in their closets that they bought 5 years ago that look better than some of these shirts. The patterns are terrible, but this is supposed to be the look they tell me, so who am I to argue—We still have 4½ dozen of these reg. \$7.99 shirts to clear for \$4.99.

LADIES' SHOES—Some of these have been tried on so many times that they look like they may be second hand. Bad colors, wrong heels, wrong toes. You know if this group doesn't sell at the price we are asking this time the garbage truck may be in for a big surprise some morning. Values to \$14.95 now \$4.99.

MENS' WINTER CAPS—These have been tried on, stepped on, wadded up, and most everything else, but if you could see fit to help us out on the entire lot we could be talked into letting you have them for ½ price.

BOYS' SLEEVELESS SWEATERS—Some of these have been around so long we feel like they are a member of the family. Wish now we had sent a few of these to relatives for Christmas. Mind helping us out on these for ½ price?

TOBOGGANS—Ladies, childrens, mens, the whole stinking lot of them. Don't know who was to blame for having such a big stock of these on hand. Think maybe a salesman just came along and wrote up an order for these without our approval. Going Going—½ price.

MENS' CARDIGAN SWEATERS—Our mens sweater business wasn't too good but the salesman that sold them to us must have had a terrific year—Now we are stuck with about 2-3 dozen of these. We promise to do better next year if you will help us out on these for say ½ price.

BOYS' KNIT AND BROAD-CLOTH SHIRTS—What an awful crop of boys long sleeve shirts we have left, but what can you expect from a "Poor crop year"—Even the boll weevils passed these up—but what do boll weevils know about prices? Entire stock less 40 percent.

LADIES' GOWNS—Brushed nylon gowns. You just can't fool people about what is good and what is not. We marked these \$4.99 and they didn't sell at that price which was too high we knew since they were supposed to be \$2.99.
